

# 2024 Show Team Outline

## I. Three Teams will be offered

### A. Team Levels

1. Freshman - 8 points
2. JV - 14 points
3. Varsity - 30 points

**B. It is expected if you join the team you will make a minimum of Freshman Team.**

### C. Credits will be earned as follows

1. Rated shows 4 credits

*a) Shows which are offered by the THJA, USHJA Zone 7 and can be Nationally Recognized by USEF. Many of the THJA shows are offered in Katy. Rated shows are four to five days long, and sometimes require greater travel. Expenses can be increased because of the travel and cost of classes. Additional memberships are required for both the rider and horse. It is understood that students may only be able to compete on the weekend but horses will be schooled and/or shown earlier in the week.*
2. Tally Ho Farm Shows 1 credits

*a) Our philosophy within the barn is having students mentor other students and we think it is important for beginner riders to have more experienced riders set examples in the show ring. Our show team members can help people showing for the first time, learn horsemanship and showmanship.*

(1) Sweetheart Show and (1) Halloween Show
3. THF Summer Clinic 2 Credits

## II. Benefits of Being a Member of THF Show Team

### A. Team Bonding Experience

1. It offers your child a social network that understands them.

2. A group can add additional support and encouragement for their members.
3. Unfortunately, the equestrian sport is lacking team experiences with its nature of individuality with the horse. We believe the team will give students a framework for goals and objects which will help them to establish both strengths and weaknesses
4. We believe this can then teach them a way to measure their progression and develop practice time that will benefit their new found goals while learning to be compassionate for the horse and others competing.
5. We find incredible benefits from competing with students learning to take chances. It is very difficult to hold ones' self out in front of others and to be judged. Competition has taught many young people to be more confident and outgoing. We have seen this skill carried over into every aspect of rider's lives.

## **B. Show Team Apparel**

As in the past we have offered different type of attire for Members we will again be ordering member attire. Students will receive attire if they sign up before January 15<sup>th</sup>.

5% discount on select Tally Ho Farm events
