August 11-15 Indianapolis State Fair – IN

Filling out show entry forms for the Oklahoma GO shows.

## Schooling Shows

Aug 21 – GHHJA, Great Southwest – Katy, Tx

## Barn Clutter and Appearance

An item that needs to be addressed around the barn is the general appearance and clutter around the stalls that is not aesthetically pleasing and also unsafe. From this point forward, stalls should only have one box and one halter hanging on the front of the stall. Please remove multiple halter hangers and any other items from the front of the stall. Water bottles need to be disposed of in trash cans and not left at the stall.

## Blanket Cleaning

All the blankets that were sent off for cleaning and repair have been returned. If you have not picked up your blanket yet, please see Dale.

## Extra T-shirts For Sale

We have a limited number of polo shirts for \$18 and T-shirts with the logo on the back for \$12 in case you are interested in buying an extra shirt, see Dale on Tuesdays or Thursdays in the instructor's office and he can help you with the purchase.

## Summer Time at the Barn

Many people find time to show up at the barn and love on the horses. Please remember that there is no riding between 1 and 5 pm but it is okay to bathe and groom the horses.

Linda and Joe Trinkle had a date night and gave Sixes a refreshing spa treatment.

Hannah visits with EZ in the stall during his down time.

## New Jumps

In case you haven't seen them already, Ms. Kim decided that the barn needed new jumps so she purchased them after the Waco show and hauled them home.

Reuben and Dale had to check the straps a couple of times while we were headed home.

Rachel Bott took this excellent picture and posted it on Facebook.

Jumps lined up waiting for the jump cups to arrive.

Hunter style jumps in the small arena.

Unfortunately for those who want to jump the larger arena jumps the new jumps have metric jump cup rails and the jump cups have not yet arrived. There is much anticipation around the barn waiting for this delivery. The small arena has all new hunter style jumps including roll tops and gates that some of the kids have already been practicing over. These standards have the old style pin and cup settings because the hunter world is still using inches and feet as measurements.

## Proper Clothing for Summer

The hot weather is here and while it may be tempting to stay cool by wearing swimsuits, halter tops and flip flops, it is not cool to wear this type of clothing around the barn. It is more important from a safety viewpoint to wear clothing appropriate for the activity you are participating in and if you desire to wear swimsuits then Splashtown is a more appropriate venue for those types of clothes.
